PROJECTS

- **Real EState webpage Link**
  Developing a real estate web application using **Html, Javascript, CSS, ReactJS** to address the challenges faced by users in searching for and managing real estate properties. The application   should provide an intuitive and interactive user interface, efficient property search   functionalities, and seamless property management features for both buyers and sellers.
- **BOOK-STORE Link**
  technology Used **MongoDB, Nodejs, Reactjs,Expressjs,Firebase** purpose of the project is to creating a Book store page in which user can buy the book sell his own book, if we want to update the book than seller can update also also delete the book and also and added Some additional function of Blogs and we can create the blog on a particular book and can remove his Blog also.
- **Text-O-Oper (Group Project) Link**
  technology Used **DeepLearning, Transformer and Hugging Face,to accessing the Api, Flask, Html, Css, Javascript, Easy-OCR, Transformer** Text-O-oper stands for Text Operation Functionalities in this project i added is TextTranslator in English to three language germany, spain and french, and 3rd operation is Text Summarizer to summarize larger paragraph in range of 0-999 sentences. and 3rd operation is hand Written Text-Recognition which recognize the handwritten text.

CERTIFICATES

- **HACKERRANK**
  1) Python(Basic & intermediate) Link
  2) Problem Solving(Basic and Intermediate) Link

SKILLS

- **Programming Languages :**
  C++,python,Javascript,DataStructure and Algorithm
- **Developers Framework:** Nodejs, Expressjs, MongoDb, HTML, CSS, Reactjs, flask,Machine Learning Algorithms.
- **Databases:** mySql, MongoDB.

ACHIEVEMENTS

- **Hacktoberfest:** become one of the 40,000 participant who completed the hacktoberfest challenge and have 4 pull request accepted between 1st october to 31st october 2023.
- **500+ problems :** Leetcode , GeeksforGeeks, Codeforces etc.
- **Hackathon Won:** Hackathon Name-DataThon || position-Second Runnerup.

INTERESTS

- **Academics** - Problem Solving, Mathematics.
- **Sports** - Cricket, Badminton
